About Make-A-Wish® Greater Los Angeles

Make-A-Wish Greater® Los Angeles creates life-changing wishes to kids with critical illnesses.

Approximately 900+ kids in Los Angeles County were diagnosed with a life-threatening medical condition in 2015. Of those kids, 439 were referred to Make-A-Wish Greater Los Angeles and the local funding was secured to grant 337 wishes last year. While we strive to increase our wish fulfillment to 100% referrals, we continue to need to increase donations to reach every eligible child.

About Kids For Wish Kids®

Kids For Wish Kids® is a Make-A-Wish® program that enables students to discover philanthropy by selecting their own fundraising project and managing it from start to finish, with little or no help from their teachers. Students develop leadership skills, build self-esteem and learn about teamwork while working towards a final goal, making a difference in the life of a child who is fighting overwhelming odds.
